## FAMILIA BREWING

Familia Brewing is a nano brewery that is aiming to be fully open the first week of April in the Village at Pigeon Lake. Juan Monterrosa, who grew up in the area, is the founder of the brewery. The vision for the brewery is to build off the feeling of being out at the Lake in every season. The brewery and taproom will have rotating seasonal beers made in 230L batches to align with this. Familia Brewing is

available at local liquor stores and around the province with approachable beers such as the Humble Summer Golden Ale, Long Walk Kveik Pale Ale and Hazy Morning New England Pale Ale. With the summer coming up Familia Brewing is excited to welcome everyone inside for a taster, pint or 4 pack to go.
